INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Dear Sir:-

I write you with reference to emigrant rolls of eastern cherokees who participate in the distribution of the $5,000.000:00 fund,or judgment of the Court of Claims. In looking over the approved roll as prepared by yourself I notice one Laura A.Henry,whose roll number is 13234,and her application for enrolment on eastern emigrant roll is number 138,is duly enrolled,but her two children,Florence A.Henry and Benjamin L.Henry,are not on the roll as appears from copy of roll in the office of the Clerk of the District Court of Rogers County,Oklahoma,at Claremore. Laura A.Henry,the mother of said two children is now,deceased,having died about November 13,1906,and her daughter,Florence A.Henry is also deceased,having died on or about January 1st,1908,and her son Benjamin L. Henry is now of age and competent to transact his own business. I was appointed administrator of the estate of Florence A.Henry, deceased,and am still acting as such,duly qualified under the law of the State of Oklahoma. I wish you would advise me whether or not application was ever made for Florence A. Henry and Benjamin L.Henry for enrollment as eastern emigrant cherokees,and if so,why they were left off the roll, and what steps will be necessary to have them enrolled; and if no application was ever made in their behalf,I desire to know if they can now make application for enrollment. Benjamin H. Henry can make the application for himself,and I will have to make application in behalf of Florence A.Henry as administrator of her estate.

Thanking you for the anticipated favor, I am,

Yours very truly,

Sir:

I am in receipt of your letter of July 2, 1909, relative to the children of Laura A. Henry being omitted from the roll, and in reply you are advised that Mrs. Henry did not name her children in the application she filed in this office and therefore their applications have not been before me for consideration.

The matter is now out of my hands, but if you wish to take any action in the matter you will have to file exceptions to my report to the Court of Claims before August 30, 1909.

A circular letter is inclosed which will explain the manner in which exceptions are to be filed.

Very respectfully,

Special Commissioner.

App. No. 141

Mary V. Barton being first duly sworn, deposes and says:

I am 46 years of age. I was born in the Territory. Some of the time my parents were in Sequoyah and part of the time in Flint. I was enrolled by the Dawes Commission, No. 10038. I got the strip payment but was not born at the time of the roll in 1851. I claim my Indian blood through mother and father. My mother's name before marriage was Sarah Walker. She died when I was very small. She was living in 1851, sometimes in Tahlequah District and sometimes in Going Snake. I suppose her name was Sarah Walker in 1851. My mother was born in Tennessee near Cleveland and came to this country with the emigrants. She drew money in 1851. My mother was about 30 or 35 years of age at the time of her death. She came West as a little girl. Don't think my mother was married in 1851. I am the oldest child. She came to G. S. Dist. She had a brother named Eben Walker. He was a full brother. Eben was the only name I ever heard of him having. He is dead; died along about 1865. Their grandmother was named Bushyhead and Eben and Sarah lived with her. My mother's father was Jack Walker. Jack had a son Jack and one named Tim. There was also a daughter, but I don't remember her name. These children were by a white wife, but Eben and Sarah were by his first wife who was an Indian. My grandmother on my mother's side died on her way out here with the emigrant Indians. Her name was Nancy Walker. She married a Hilderbrand after she and her first husband, Jack, were separated. She had a brother Jesse, another Jake Bushyhead. Jesse came from Tenn. when they came with the emigrants. He was a baptist preacher. He settled in G. S. District. Jake came along at that time too. He lived in Tahlequah District. I think there was one named Charles but I am not sure of this. Dennis Bushyhead, Jane and Charlotte was and Dan, Carrie, Ned (Edward) were his children. He also had a son Jesse and a daughter Nan. Jesse's wife was named Elizabeth or Lizzie. Jesse was living in 1851 but I don't know just when he died. Henry Drew was Jane's son, a grandson of Jesse. Elizabeth Bushyhead, the wife of Jesse, was an Indian woman. Jesse was my grandmother Walker's brother. (See Ill 289, Tah 133, G.S. 227) In (See Tah 360) My father was named George Lassley. He was killed during the Civil War. George Lasley was living in the Territory in 1851 but I don't know in what district. He was enroled at that time. My father had a brother named Joe. He had a half sister. She lived, the last I heard of her, near Catoosa. Joe is dead. He lived near Catoosa at the time of his death. My grandfather's name was William Lassley. Don't know any of the brothers and sister of William. Polly was the name of my father's mother. My grandfather Lassley was married twice. His last wife was named Colly, I think. Betsy Roe was a sister of Polly. Katy Williams was another and Sallie Musgrove was another. They are all dead. If Betsy was not married in 1851, her name was Betsy Vann. She lived in Coo-wee-scoo-wee District when I knew her. Nancy McNann living at Pryor Creek, Okla. stated through the phone to F. S. Barton, that Jesse Bushyhead died in July 1844. My grandfather, William Lassley, was a white man and his wife, Polly Vann, was the Indian. I had a copy of the rolls and it was from this that I learned of my ancestors being enrolled and so made out my applicatio..

~~41044~~

Betsy and Katy lived in Saline and Sallie lived in Going Snake District. These were the sisters of Polly Vann. I never associated with any other tribe of Indians. Have always been recognized as a Cherokee Indian. None of my people were Old Settlers.

#141. Suggestions for the Second Field.

This claim appears to be O.K. through Flint 317. Investigation is desired to see if the case is not possibly a manufactured one. It will be noted that under the head of "Remarks", the Flint reference is given, but nowhere is Betsy or Ceily accounted for or mentioned, except Ceily is given under the head of "Remarks", and the name on the roll is given as Lapley and it is Lapley on the original roll, while nowhere does anyone give the name of Lapley. It will be noted that #1120 claims his Eastern Cherokee descent through his father, and that he claims his father's parents were William and Mary Lasley, and that Mary Lasley's maiden name was Vann. Under the head of "Remarks", the brothers and sisters of Mary Van are set out and in Saline 483 the ancestors given under "Remarks" appear, and if they were really the brothers and sisters of Mary Vann - the grandmother - it would seem that Joseph V. Lasley given as Joseph V. Lapley in 317 Flint are not one and the same, and that Mary Vannwas not married until after 1851, unless William and Mary were never married, and in 1851, William was living with a woman by the name of Ceily, and Mary was then living with her parents and enrolled in 483 Saline.

Inquire carefully as to who the grandparents were of #1120, and if he might not be mistaken in the grandfather was Joseph V. Lasley. Make careful inquiry into both of these cases in order to ascertain if the application has not been made up from copies of the roll.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Applications of James Lewis McDonald and others claiming through Annie or Nancy Blythe, wife of Johnathan Blythe.

There are a great many applicants who base their claim solely upon the Indian blood derived from one Annie or Nancy Blythe, and these claims are given color by the fact that there is a Nancy Blythe on page 28 of the Eastern Cherokee census roll of 1835. On this roll Nancy Blythe appears as residing on Shooting Creek, North Carolina, and one minor child, female, over 16 years of age, is enrolled with her.

These claims are given further color by the fact that James Blythe and Betsey Welch, two of the children of Nancy Blythe, were enrolled with the Eastern Cherokees in 1851.

The facts as set forth in the various applications and as developed by the testimony (see Miscellaneous Testimony, pages 1633 to 1644) are inconsistent with the idea that Nancy Blythe, wife of Johnathan Blythe, was the Nancy Blythe whose name appears on the Eastern Cherokee roll of 1835.

The Testimony of James Lewis McDonald (Misc. Testimony pages 1639-1640), who is 87 years of age and a grandson of Nancy Blythe, shows conclusively that Nancy Blythe must have been an old woman in 1835. He says;

"In 1835 she was living with Johnathan Blythe, her husband. No one else was living in the house with them at that time as far as I recollect. At that time all her children were married or had left. She had no grandchildren living in the house with her. ----- I never heard of Nancy Blythe, my grandmother, drawing any money as an Indian. I never heard her say she was enrolled as an Indian. I have heard her say that her mother was an Indian. I will not state that I heard her say what tribe of Indians she belonged to. The first I heard of her being enrolled was 6 or 8 or 10 years ago. Jim Taylor told me then. He was acting for Belva Lockwood. ---------- In 1835 it was well known where my mother lived. She was well known in this county at that time. I never heard of her getting any money as an Indian. The reason my mother was not enrolled in 1835 was because they held their heads up and were sort of biggish and did not have sense enough. I can give no reason why my mother's brothers and sisters were not enrolled (in 1835). My mother's brothers and sisters were all of age at that time and living in this locality. In 1851 I was living on Hanging Dog. I do not remember anything about a payment in 1851. Did

hear that the Cherokees were drawing some money then. I did not apply because I did not have sense enough. We have always had the privileges of white people but recognized as having Indian blood. I do not claim Indian blood through any source other than Annie Blythe."

It appearw that Nancy Blythe had seven adult children living in 1835, and no minor children. None of her children was enrolled in 1835. The testimony fails to disclose just where this Nancy Blythe was living in 1835, although it very clearly establishes the fact that she and several of her children were born in South Carolina, and Edmond A. Dewese (Misc. Testimony, page 1633, a white man 87 years old, testifying on behalf of the claimants, states that he first knew Annie Bluthe in Macon county, North Carolina, in 1835 or 1837, and that she was living somewhere near Franklin, on the Tennessee river.

Other witnesses testified that she was living in 1835 and 1836 in Macon or Jackson counties, but it does not appear anywhere that this Nancy Blythe ever lived at Shooting Creek, at which point the Nancy Blythe enrolled in 1835 was living.

The testimony further discloses the fact that James Blythe and Betsey Welch, the two children of Nancy Blythe who were enrolled in 1851, had married Eastern Cherokee Indians prior to the Treaty of 1835.

Joseph G. Hester, Special Agent, who made a roll of Eastern Cherokees in 1884, enrolled this James Blythe as No.1177, and under the names of ancestors on previous rolls writes,--"white", and under Remarks adds,-"White on Mullay Roll--adopted before the Treaty."

Agent Hester also enrolled Betsey or Elizabeth Welch as No.1421. Likewise inserting in a column of names of ancestors on previous rolls,--"White", and adding under Remarks,-"Married to a Cherokee before Treaty."

These circumstances would seem to be conclusive and the testimony of Martha Ann Meroney (Misc. Testimony, page 1641), 73 years of age, an intelligent and apparently thoroughly honest wit-

ness, seems to completely destroy all claims on behalf of these applicants. She testifies that she is the grand daughter of this Nancy Blythe in question, she being a daughter of Elizabeth or Betsey Welch above referred to. She testifies,

"I know James L. McDonald. His mother was Sallie Blythe, who married a McDonald. I never talked with Sallie McDonald about her having Indian blood and never heard of it until this affair came up. I knew her intimately. She was my mother's sister. Annie Blythe was my grandmother. I have heard my mother and some of the citizens say Annie Blythe was Annie Barnes. She was born in England I have heard my mother say. She came to South Carolina with her father and mother and Annie Barnes married Hohnathan Blythe in South Carolina and then moved to North Carolina, about Jackson county or up that way. I never heard how old Nancy Blythe was at the time of her death. I have heard my mother say that she did not have any Indian in her. ----------. I knew James Blythe and Betsey Welch. Betsey Welch was my mother. She married a man that was called a Cherokee Indian. She married John Welch before the emigration. ---------- James Blythe married Sallie Downing, a full blood Cherokee Indian. The marriage took place prior to 1835."

This testimony fully accounts for the fact that none of the children of this Nancy Blythe were enrolled with the Eastern Cherokees in 1835, and for the further fact that none of her children or grandchildren, except James Blythe and Betsey Welch, were enrolled in 1851.

The testimony is conclusive that Nancy Blythe, the ancestor of these claimants, was a white woman and as they make no claim through any other source their applications must all be rejected.

At the personal request of Mrs. Belva A. Lockwood, attorney for most of these claimants, John H. Sutherland, a white man 71 years of age was examined. (See Testimony, page 1635). He testifies as follows:

"I was born in Spartansburg, S. C., and lived there until 1859, and then moved to Madison county, North Carolina. I know James L. McDonald, and I have known him since coming to this county. I did not know him or any of his family prior to that time. All I know about Annie or Nancy Blythe's Indian blood is what I heard my mother tell a neighborwoman one day. My mother's name was Martha Sutherland. My mother said that when she was first married there came to their home near Greenville, S. C., a very fine looking Cherokee Indian--the finest she had ever seen--and they had a lady there by the name of Annie Barnes, who was a quadroon or

--Blythe.

half blood Cherokee Indian, and the prettiest woman she ever saw. That big Indian fell in love with Annie Blythe and there was a man there by the name of Johnathan Blythe who was a little man but a swift runner, and this Annie Blythe was an interpreter. The Chief of the Indians was a man by the name of Oo-sta-alle, and Annie Barnes acted as his interpreter, and he adopted Annie Barnes. A big Indian wanted to marry Annie Barnes, as did Johnathan Blythe, and the Indian wanted to fight for her but the Chief said it would not be fair, but that if he could outrun Johnathan Blythe he could have her,---and they had a race and Johnathan beat and so married Annie Barnes. This happened after my mother was married. My mother died in 1880 and she was then about 80 years of age. My mother said that this Chief Oo-sta-alle, was a Cherokee Indian. My mother said that the Indians left Greenville after Annie Barnes' marriage and moved to Toxoway and then to the little Tennessee river."

This pretty little romance is, of course, not testimony but if it is true it is perfectly evident that the Annie Barnes who was there married to Johnathan Blythe could not have been the ancestor of these claimants, as their ancestor was certainly a grandmother at the time of the alleged contest for the hand of the said Annie Barnes.

EASTERN CHEROKEES.

App. No. 158.

February 11, 1907.

Hon. William B. McKinley,
House of Representatives,
Washington, D. C.

Sir:-

I have the honor to acknowledge receipt of your letter of February 6, 1907, inclosing communication from Sarah Watson of Urbana, Illinois, making inquiry relative to her Eastern Cherokee application.

In reply permit me to say that it is impossible to state just when this application will be taken up for final consideration. The time within which these Eastern Cherokee applications must be filed has been extended to March 31, 1907, and until that time elapses the final consideration of the applications cannot begin. It will then take considerable time to dispose of the claims.

From a preliminary examination of Mrs. Watson's application it does not appear that her mother, through whom she claims, was enrolled with the Eastern Cherokees in 1851, at least she does not appear to have been so enrolled under her English name. She may have been enrolled under her Indian name, but such Indian name is not given in the claimant's application.

#2--Wm. B. McKinley:

Under the terms of the decree of the Court of Claims, claimants must show either that they were enrolled with the Eastern Cherokees in 1851, or that they are the legal representatives of some one who was so enrolled.

This Office has no copies, in pamphlet form, of the decree of the Court of Claims in favor of the Eastern Cherokees and therefore is not in position to furnish a copy of the same.

Mrs. Watson's letter is herewith returned.

Very respectfully,

Acting Commissioner.

No. 158

App. #166.

August 14, 1907.

Sarah Watson,

1010 1/2 West Main Street,

Urbana, Illinois.

Madam:-

Replying to your letter of August 9, 1907, you are advised that the applications for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees have not been taken up for final consideration, as the Court in its order of April 29, 1907 has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 33,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

NLC. Special Commissioner.

Nancy Walden, being duly sworn, deposes and says:

My name is Nancy Walden. I am 53 years old. I live in Nowata County. I have only lived there 4 or 5 years. I lived 4 miles west of Chelsea. I was enrolled by the Dawes Commission, Cherokee Roll #13673. I got the strip and bread money. My father's name was Judge Butler. He is dead. He died during the war, about 1861. He was in the war. I hav'nt any positive proof except that they drew some money in 1851; father and mother both. In 1851 they lived near Fort Gibson Station. My father had an Indian name Di-goo-diske or De-goodeesk. His brother and sisters were John, Mary, Ann and Willie or William. Ann lived in Tahlequah. I think John also lived in Tahlequah District. Mary lived part of the time in Illinois, Flint and Tahlequah. Judge Butler got his blood from his mother. I don't remember her name; neither English nor Cherokee. My mother died during the war just 11 months before my father. Her Cherokee name was Ail-sey or Elsie. She was very near full-blood. I understood she drew part of that money in 1851 at Fort Gibson. She had two brothers and one sister: they had only Cherokee names: one was A-ma-soo-yeh or Ah-ma-soo-yah, or A-mah-soo-yih; her brother was Ju-nah-yun-kih; or Ju-naw-yun-kih; my sister was Nancie or Nan-che, or Na-ji. I don't know my mother's mother and father, as they died young. None of them were regarded as Old Settlers. They have always stuck to the Cherokees.

Hon. Guion Miller,
Washington, D. C. Aug. 28, 1908

Dear Sir: I enclose herewith an affidavit of Felix Latta, as to the birth and residence of his brother Allen Latta, whose application, No. 169, is pending before your department.

I have not at hand nor am I familiar with the language of the acts of congress carrying out the treaties of 1835-6 and 1846 with the Cherokees, but it occurs to me that where a fund is appropriated to a tribe or nation per capita, and the applicant has never lost his identity as a member of that Tribe or nation, and he has not drawn either directly or indirectly any

thing from that fund, except the par=
tial payment in 1852, that nothing short
of a personal relinquishment could cut
him out of sharing in that fund.

It is in support of this conclusion that
Mr. Allen Latta that this affidavit is
forwarded, and if any additional evi=
dence is needed I shall esteem it a favor
if you will apprise me.

Respectfully

J. B. Crouch.

State of Oklahoma, County of Muskogee,ss:

In the Matter of the Application of Allen Latta for participation in the Fund arising from the Judgment of the Court of Claims,in favor of the Eastern Cherokees.

William R. Mott, of lawful age, being sworn according to law,on oath deposes and says:

First--That he is a citizen of the Cherokee Nation, that he has known Allen Latta for more than sixty years, and that he has personal knowledge of the matters and things herein set forth.

Second--Thathe was born on the Grand River in the Cherokee Nation about the same time that Allen Latta was born, that they played together as boys and that he knows that Allen Latta is the legitimate son of Peggy Latta, whose Indian name was Waikeh or Waiki Latta.

Third--Thatthe mother of the said Allen Latta died in the year of 1863, and that the said Allen Latta has never participated in the distribution of any of the Eastern Emigrant Fund, exce pt the partial distribution made to the Cherokees in 1852, and that the said Allen Latta has never participated in the distribution of any of the Eastern Emigrant Fund on behalf of any other tribe or Indian Nation.

Fourth--That the said Allen Latta is a resident of the Cherokee Nation, that his mother , Peggy Latta, was a fullblood Cherokee, and that she survived her husband.

In the matter of the Application of Allen Latta, a Cherokee, for participation in the Distribution of the Eastern Emigrant Fund.

Exceptions in behalf of Latta to Ruling of Court.

The said Allen Latta excepts to the ruling of the Court in declaring him not entitled to participate in the distribution of the Cherokee Eastern Emigrant Fund upon the following grounds and for these reasons, to-wit:

First--That the said Lattawas duly enrolled as a Cherokee according to law, and carries the Roll number of 471, his cencus number being 74 , and that he was allowed to and did participate in the partial distribution of the Eastern Emigrant Fund which took place at Fort Gibson, in the Cerokee Nation in the year of 1852.

Second--That he is now 65 years of age, and that at no time in his life has he participated in the Eastern Emigrant Fund coming to and and due to any other Nation or Tribe of Indians dealing with the United States by treaty agreement,nor has he ever applied for participation in the same.

Third--That the said Allen Latta came to the Cherokee Nation in 1851, that he claims through the inheritance of his mother, who was a full blood Cherokee, and died a citizen of that nation.

Fourth--That whatever may have been the residence or tribal affiliation of the said Latta since the theaties of 1817 and 1819, they could not desroy his property rightsof inheritance, and any co ruling to the contrary would be in violation of those rights and in derrogation of the treaty stipulations.

Fifth--Suppose that at the time the said Latta left the Cherokee Nation and took up his residence with the Chickasaws he had received his portion of the Eastern Emigrant Fund, but left it in the hands of th the federal government, could his right to that money at any time be questioned or assailed? Certainly not.Now the fact that the money had not all been distributed does not alter the case . The renunciation of allegiance to governmental or tribal control does not destroy property rights. We fail to find any act of congress in conflict with the contention herein made, and in view of the fact that the degree of blood, and the certainty of ancestry having been established, it would do violence to every conception of justice to hold that the said Latta has done anything to bar him from the free and full enjoyment of his rights of inheritancewhich vested in him under the provisions of the treaties herein referred to.

Sixth--That the English name of the said allen Latta's mother, though whom he claims was "Peggy Latta", and her Indian name was Waikeh, or Waiki Latta,and that the said ancestor was living in the yearI85I, and that she was at that time about the age of 33 years, and that said applicant'sapplication is numbered I69.

Seventh--That the said applicant's name is Allen Latta, that he is now 65 years old, and that his post office address is Porum, Oklahoma.

Hon. Guion Miller,

Washington, D. C.

Sir:

Permit me to say that your favor of the 12th inst. relative to the claim of Allen Latta, discloses, for the first time, the real trouble in this claim. The Allen Latta the you have in mind was either an uncle or a cousin of my Allen Latta. When you spoke of my client making a statement I discovered at once the difficulty. My Allen Latta, who is now nearly 70 years old, never made a statement in his life relative to the Eastern Emigrant fund until after you struck him from the roll and he came to me about it this year. If you will examine the original Cherokee rolls you will find this Allen Latta the first Latta on the rolls and following his name comes his brother's name, Felix or Dive Latta. My client participated in the partial distribution of the fund in question in 1852-3, and there is no reason for him to be off the rolls. His right to participate in the distribution of that Eastern Emigrant fund is as indefeasable and inseparable from him as his own flesh and blood, unless he should take up arms against his own people. I trust you can se the mistake in this matte The Mother of my client was a fullblood Cherokee, and so his uncle on his fathers side coming in as a Scotchman has brought confusion worse confounded in this case. All Lattas, who are not of Cherokee mothers are not entitled to participate in the fund. My client's mother was

a fullblood Cherokee but married a Scotchman by the name of Latta, so all Lattas who do not get their blood from a Cherokee mother are out. Remember, there are two other Lattas who have been trying to get on the rolls, one of them lived a long time near Tishomingo in the Chickasaw nation, the other one died 8 or 10 years ago in the Cherokee nath nation. My contention is the old original rolls settles this question, and that it was only by mistake that the status of my client was ever disturbed. He was there from the beginning.

Sincerely Yours,

J. B. Leacock

Sir:

Replying to your letter of October 30, 1909, you are advised that the application of Allen Latta, brother of Felix Latta, was rejected not because he was not found to be of Eastern Cherokee blood, but because it appears that he has become enrolled as a Chickasaw Indian.

Under the express ruling of the Court of Claims having become enrolled as a Chickasaw Indian he is not entitled to share in the Eastern Cherokee fund.

Very respectfully,

Special Commissioner.

Sir:-

In reply to your letters of September 10 and October 6, 1906, you are informed that your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, has been received, and will be taken up for examination in its order.

Relative to your inquiry as to whether or not you should file applications for your children, you are informed that it will be useless for them to file claims as long as both of their parents are living, as only those whose names appear upon the Eastern Cherokee rolls of 1851, or their legal representatives, will be entitled to participate.

Edward McDonald,

Okra,

Indian Territory.

Sir:-

Replying to your letter of July 27, 1907, you are advised that the applications, for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, have not been taken up for final consideration, as the Court in its order of April 29, 1907 extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 31,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Sir:

Relative to the application which your have filed on behalf of the Duncan children for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state why the aprlicants' parents were not enrolled in 1851, if, as you say, they were living in the Cherokee nation at that time? In the application you say that these childrens' rarents were enrolled as citizens of the Cherokee nation, Indian Territory. If they were enrolled by the Commission to the Five Civilized Tribes, please give their roll numbers.

10151#

State your reasons for thinking that the grandfather of these children on their mother's side, was Will Baldridge? Have these children been enrolled as minors by the Commission to the Five Civilized Tribes? If so, please state their numbers? Give any other information obtainable tending to establish thier right to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

I am 65 years of age. I was well acquainted with the grandfather of Ida, but do not know who he married. Andy's father was named John. He was a Spaniard . Andy had an older brother named John. He also had a brother named Stephen, Jesse and Adam. I also remember a sister named Jane and the name Eveline seems familiar but I do not remember any of the others. Andy was a single man in 51 and don't think he married and had children until sometime after that. I never knew him after the war came up. Ida has been married once before to a man by the name of Cahoe. Her Daws Commission number is 18010. Adam Pelone has a child living by the name of James Pelone. Think he lives out in the Osage nation somewhere. Adam has another child living close to Westville by the name of George. Also has another one by the name of Lacy. Adam has another boy near Westville by the name of John and a girl by the name of Carrie. Don't know Carrie's married name.

I am 38 years of age. My father was a half breed cherokee and my mother was a full blood. My mother died the 23rd of October 1907. My mother was about 70 years of age when she died. I think my mother was an Old Settler. My father lived in Illinois District in and early day he was on the 51 roll. He had a brother named Calvin and one named Austin, I think. My aunt Jennie Nofire is livning at Wauhilla and she would know my father's relation. My father was enrolled with a lot of Leana but I don't know their names. See Ill 260. I have some cousins living near Braggs by the name of Jim and John ~~McKean~~ McClean. My father's name was Lewis ~~McKean~~ McClean. Jennie Nofire is my father's half sister on his mother's side. My mother sometimes went by the name of Peggy and she had a step fathe by the name of Fields and she may have been enrolled by the name of Fields. I have heard by mother talk about receiving Old Settler money back in 51 but I don't know how much she received. See C. S. Ill 164. Frank Cunseen was a half brother of my mother on her mother's side He was an Old Settler and enrolled then by the name of Caw-Das-Kee. See C. S. Fl. 22. My Mother's mother was named Lotty or Lautha. She was probably going by the name of Cunseen in 51. Betsy, Lizzy and Lawsley were my mother's half sisters. Ete-her-ster was my mother's half brother and he later went by the name of Tom Fields. Charles was also a half brother. My dawes Commission number is 6405 and my mother's is 15[illegible].

App. No. 214. Misc.

Lydia Roberts, --- being duly sworn, deposes and says:

My name is Lydia Roberts. My age is 50 years. I live in Rogers County. I moved here two years ago. I lived down near Webbers Falls, Canadian District. I claim Cherokee Indian blood. I was enrolled by the Dawes Commission, but do not have my number with me. I got the bread and strip money. I got my Indian blood from both parents. My mother's maiden name was Jane Walker and married Delaware Sixkiller. My mother has been dead 19 years. She lived at Tahlequah at the time of her death. She lived in Saline District before the war. I have heard that my mother was enrolled in 1851, and I suppose she drew money at that time. She lived in Saline and Going Snake Districts. My mother had a brother Dick Walker; he lived in Saline or Going Snake District. Her sister was Ai-le or Aly also Airy. My mother's Indian name was Chin-ni-yeh or Gi-ni-yeh. My mother was regarded as Emigrant. She never got Old Settler money. (Look for Dick Walker on the Roll of 1851.) My grandparents on my mother's side were An-nie or An-nih, grandmother (A-ney); grandfather 's name was Walker, and Indian A-tah-hee.

I have been told that my father was enrolled. His Cherokee name was Ah-won-gi or Ah-won-ke or Ah-gwa-nv-gi, which means the same as Delaware. His brothers and sisters were; Peacheater; Redbird; Peacheater lived in Going Snake; Redbird lived in Saline; Frog died in Saline District;,he lived in Going Snake also; Cricket, who lived in Going Snake; Taylor; There were two sisters; one was Susie, but I cannot recall the other. My father's father's name was just Sixkiller, as far as I know; he lived in Going Snake District. I think my grandmother died back in the old country and I do not know her name. They came from the East but I do not know just when.

John Haney, being first duly sworn, deposes and says:

My name is John Haney and I reside at Tuvall, N. C. I was born in Buncombe Co., N. C. about 1847. I claim relationship to the Cherokee Indians through my father, James Haney, who was a quarter Cherokee Indian, and he claims through his father, Samuel Haney, who was a half blood Cherokee Indian. My father was born near Murphy in Cherokee Co., N. C. My mother was a white women. My grandfather, Samuel Haney, was born and raised in Cherokee Co., N. C. My father was born and raised in the Indian trible in Cherokee Co., N. C. and we all claim Cherokee blood. I do not know whether my ancestors were enrolled. About 1851 my father lived in Buncome Co., N. C. My grandfather died about 1850. I do not know whether any of my people, either on my father's side or my grandfather's side, ever went west with the Indians. My father was always recognized as white with Cherokee Indian blood. My people, as far back, as I have ever heard, have always lived in Buncombe County and Cherokee County. Some of them might have gone West, but if they did I don't know. I do not know of any of my uncles or aunts living at the present time. In this mountainous country families are easily separated, as the distance between is too far to visit. We were always taught to spell our name Haney. I can remember distinctly of old people who are now dead telling me that my grandfather was a Cherokee Indian and was always recognized as such.

My name is David Lunsford and I reside at Kyle, North Carolina. I am seventy-four years of age. I knew the father of John Haney, for whom I am appearing as a witness in this case, and his name was James Haney, and he was always recognized as part Cherokee Indian. I have often heard James Haney talk about his father, Samuel Haney, and he told me that he was born and raised among the Indians in the western part of the State of North Carolina. I remember when the Indians were taken out of this country. These people were always recognized as white with Indian blood. This is all I know about the matter.

I represent Charles M. Kell of Geneva, Nebraska, formerly of Vallejo, California who has an application before the department and in which you are special commissioner. Mr. Kell is 63 years of age and of course is exceedingly anxious to have as early a disposition of his claim as possible which will account for this letter. As he relates the matter to me his claim seems to be based upon reasonably well established facts but he desires to tell you that he stands ready to forward in anyway that you may ask, proof in support of his application so that nothing will be left undone either to hasten its adjustment

Dear Sir,

I have heretofore had some correspondence with you relative to the claim of Chas. M. Kell to a portion of the funds over which you are special commissioner. A communication to him some months ago from you indicated that he or his attorney would hear from you by May 1909 as to his claim. Now of course May is past and he not having heard from you is anxious to learn anything farther that he can with reference to his rights. Of course he does not want to appear impatient and I presume you have many inquiries of this character to answer but he is quite an elderly man and thru serious injuries incurred during the war he is obliged to walk on crutches and get about with difficulties and needs anything that may be coming to him and needs it at present as much as possible. Hence you will understand why he is asking about it frequently. But I do wish you would write either to him at Geneva, Nebr. or to me as full a statement of the matter as you can at this time, giving the fullest details that your information and the rules of your department would warrant.

Thanking you in advance, I am,

Very truly yours,

Edmond A. Dewese, being first duly sworn, deposes and says:

That I am 87 years old. I was born in Buncombe county, N. C. I moved to Macon county, N. C. when I was a child. I know Annie Blythe. I knew her husband Johnathan Blythe. I first knew Annie Blythe in Macon County, N.C., in 1836 or 1837. She was living somewhere near Franklin on the Tennessee river. Annie Blythe afterwards moved to Cherokee county an died here but I don't know just when that was. She was about twenty or thirty years of age when I knew her, but she might have been older. She had no children with her at that time. I knew Mrs. Welch. I did not know any of Annie Blythe's children until I came over here and knew them on the Valley River. I knew Betsey Welch here, and I understood that she was a daughter of Annie Blythe. I do not know when I first knew Betsey Welch, but it was before the war--I do not know how long before the war. I did not know James Blythe in Macon County. I never heard Annie Blythe say where she came from. I think I have heard Annie Blythe say she had Indian Blood--she said that she was a Cherokee. I don't recollect that she said how much Cherokee she was.

I never saw Annie Blythe with any one of her children with her. I have often heard Johnathan Blythe speak of his wife being a Cherokee Indian. I do not know what year Johnathan Blythe left Macon county. I never saw Annie Blythe after she left Macon county but i saw Johnathan Blythe a heap of times.

I do not know who Annie Blythe's mother was. I do not know who Annie Blythe's father was. I do not know when Annie Blythe moved to North Carolina. I don't know whether she lived any place else but Macon county, North Carolina. I do not know whether she ever lived as an Indian with a tribe of Indians. I do not know whether she ever received any money as an Indian. They lived among the white people and were known as white people with Indian blood. I do not know whether there were any Indians living around where they did or not.

I think I have heard Annie Blythe say that she had Indian blood, but I am not right sure. I was not very well acquainted with her. She has visited at my house. I don't recollect that she was there but one time--she stayed about two weeks. I never visited at her house. I cannot state when it was she stayed two weeks at our house,--it was before the Indians were taken away that she stayed two weeks at our house. It was not a great while before that time, but probably some three or four years. That is the only time I ever recollect having seen her. I was about twelve years old at that time, I think. I don't know why it was that she happened to be at my house for two weeks at that time. Annie Blythe was a kind of a doctor.

I am not a claimant, and am not related by marriage or blood to any of the claimants that I know of.

I am about 73 years of age; was born in Cherokee County, N.C. I did not know Annie or Nancy Blythe. I know James L. McDonald. Have known him since I was a little girl. His mother was Sallie Blythe, who married a McDonald. I knew the mother of James McDonald. I knowwhere when she was living in Macon County. nnie Blythe died in Cherokee County. I think she died about the time of the emigration. I never talked with Sallie McDonald about her having Indian blood and never heard of it until this affair came up. I knew her intimately. She was my mother's sister. nnie Blythewas my grandmother. I have heard my mother and some of the citizens say Annie Blythe was Annie Barnes. She was born in England I have heard my mother say. She came to South Carolina with her father and mother and Annie Barnes married Johnathan Blythe in South Carolina and then moved to North Carolina, about Jackson County or up that way. I never heard how old Nancy Blythe was at that time of her death. I have heard my mother say that she did not have any Indian in her. My father was a half Indian. I have filed a claim claiming through my father. I never thought of getting anything on my mother's side because she never claimed to be Indian. I knew James Blythe and Betsy Welch. Betsy Welch was my mother. She married a man that was called a Cherokee Indian. She married John Welch before the emigration. My mother and father had 11 children. I was one of the youngest. My mother was married prior to 1835. James Blythe married Sallie Downing, a full blood Cherokee Indian. The marriage took place prior to 1835. My eldest sister, Mary Ovell, was married at the time of the emigration. I had a brother older than she. His name was Ned Welch. At the time of the emigration my oldest sister went to South Carolina on her bridal tour.

Willis Parker was the son of Johnathan and Leona Parker. My father got his Indian blood through his mother, Leona Parker, who was Leona Blythe before marriage. Leona Parker was the daughter of Nancy and Johnathan Blythe.

My father died in the spring of 1905. He was born in 1819. I knew my grandmother, Leona Parker. She died about -18- sometime after 1880. I do not know when she was born. She was nearly 90 when she d died.

I think my father was born in Macon county, N. C. I can't remember where my grandmother was born. I never heard where Nancy Blythe was born. I don't think I ever heard who Nancy Blythe's parents were [redacted]. I have heard my grandmother say that she was part Cherokee and that her mother was half Cherokee.

My father was living in Cherokee County, N. C., in 1851. He lived on Valley river. He was a man who was well known in the community. I never heard that I had been enrolled or received any money in 1851 or 1852.

I first made a claim to Cherokee money about six years ago. I never made claim to land in Indian Territory. It is generally known in the community that I am white, but it has always been claimed that I had Indian blood.

She was well known in this county at that time. y mother died about 1889 or 1890. I never heard of her getting any money as an Indian. She never made any application. The reason my mother was not enrolled in 1855 was because they held their heads up and were sort of biggish and did not have sense enough. The government was making the enrollment. The enrollment was made with a view to taking the Indians away from this country. I know no reason why my mother should not have been enrolled by the government at that time. I can give no reason why my mother's brothers and sisters were not enrolled. My mother's brothers and sisters were all of age at that time and living in this locality. In 1851 I was living on Hanging Dog. I do not remember anything about a payment in 1851. Did hear that the Cherokees were drawin some money then. I did not apply. because I did not have sense enough. I know at that time that I was said to have Indian blood in me. I considered myself a member of the Cherokee tribe in 1851. I did not apply because none of my people tried to get any and I did not know how to go about it. We have always had the privileges of white people but recognized as having Indian blood. I do not claim Indian blood through any source other than Annie Blythe. I know Betsy Polch all my life. In 1855 she was living on Valley River. She was married at that time. I know James Blythe. I am a white man and make no claim to Indian Blood. I am 71 years old, and live in Murphy, North Carolina. I have lived in this county some twenty years. I was born in Spartanshurg, S. C., and lived there until 1859, and then moved to Madison county, North Carolina.

I know James L. McDonald, and I have known him since coming to this county. I did not know him or any of his family prior to that time. All I know about Annie or Nancy Blythe's indian blood is what I heard my mother tell a neighborwoman one day. My mother's name was Martha Southerland. My mother said that when she was first married there came to their home near Greenville, S. C., a very fine looking Cherokee Indian,-the finest she had ever seen-- and they had a lady there b the name of Annie Barnes who was a quadroon or half blood Cherokee Indian and the prettiest woman she ever saw. That big Indian fell in love with Annie Blythe and there was a man there by the name of Johnatha Blythe who was a little man but a swift runner, and this Annie Blythe was an interpreter. The Chief of the Indians was a man by the name of Oo-sta-alle, and Annie Barnes acted as his interpreter, and he adopted Annie Barnes. A big Indian wanted to marry Annie Barnes, as did Johnathan Blythe and the Indian wanted to fight for her but Johnathan said--- that-- the chief said it would not be fair, but that if he could outrun Johnathan Blythe he could have him , and they had a race and Johnathan beat and so married Annie Barnes.

This happened after my mother was married. My mother died in 1880 and she was then about 80 years of age.

My mother said that this Chief--Oo-sta-alle,was a Cherokee Indian. My mother said that the Indians left Greenville after Annie Barnes' marriage and moved to Toxoway and then to the Little Tennessee river.

That I am 51 years old. I live at Murphy, North Carolina, R.F.D. born in Cherokee county, North Carolina. Who were your father and mother? My fathers name was Johnathan McDonald and Harriett McDonald. Father was a brother of James L. McDonald, No.222. I claim my Indian blood through the same line that he does. ~~When-w~~ My father was born in 1818. I do not know where he was born. He died sometime ~~in~~ after 1890. My grandmother was Sally McDonald. She was the daughter of Annie or Nancy Blythe. Never heard when my grandmother was born. I do not know where my grandmother was living in 1835. I have heard it said that Annie or Nancy Blythe came from somewhere near Greenville, S. C. I do not know when she left Greenville to come to North Carolina. I do not know where she was born. Father was living in Cherokee Co., N. C., in 1851, seven miles from Murphy, with my mother and his family, at the old postoffice known as Hanging Dog. He was a man who was well known in the community.

My information is that none of the Blythes ever applied for enrollment in 1851. Never heard him say why he was not enrolled at that time. I never heard my father say that he was an Indian; I heard him say that he had Indian blood in him and that we were all entitled to participation in the Indian funds that were to be paid off at various times. There was some payment or enrollment somewhere near 1880, when I heard my father speak of this, and he said that he was somewhere near one eighth Indian, but that none of them he had every heard of had applied. He at that time told me that his great grandmother, Annie Blythe, was a half ~~bolt~~ blood Cherokee Indian, and that Johnathan Blythe, her husband, was a white man.

It has only been a year or two since I learned where Annie Blythe came from. I never heard of Annie Blythe living among the Indians in South Carolina. All that I ever heard of her living among the Indians was after she came to North Carolina. I have heard recently that Annie Blythe's mother 's name was Barnes before she was married to Johnathan Blythe. I never heard that Nancy Blythe was the daughter of Isaac and Nancy Shook. I heard that James Blythe and Betsey Welch were enrolled. I never heard how they came to be enrolled. I ~~have~~ knew my Uncle James' wife and she was a full blood Cherokee Indian--never heard herspeak an English word in her life. I did not know Betsey Welch's husband, and have heard that he was a Cherokee Indian, or at least a part ~~of a~~ Cherokee Indian. Martha A. Hughes, after being first duly sworn, deposes and says:

I am 68 years of age; am the mother of 4746, William F. Hughes; was born in Cherokee County, N.C. I claim my Indian blood through my mother, Mary Ann Blythe. The parents of Mary Ann Blythe were Johnathan Blythe and Annie or Nancy Blythe. My mother was born in South Carolina. Do not know just what part of South Carolina. She died about eight years ago. She was about 86 or 87 years old I think. I had four brothers and two sisters older than I. My oldest brother was about 12 years older than I am. My oldest brother was born in Macon County. I do not know how long my mother had been living there when my brother was born. My mother was married in South Carolina. I never saw my grandmother, Annie Blythe. I do not know if she was dead when I was born. In 1851 my mother lived in Cherokee County, N.C. I was living there also. I never heard her say she was enrolled or received any money at that time. I never received any money as an Indian in 1851--52. If my mother had received any money for me or herself I would have known it. My mother and father were known all around at that time. There was no reason why a government officer could not have found my mother. I do not know if I ever heard her speak of the enrolling people at that time. I have heard my mother say that we had Cherokee Indian blood in us and that has been thrown up to me many times by the people around. My people did not deny it and did not resent being called Indians. I do not know that I ever heard my mother say just how much Indian blood she had. I do not know that I ever heard her say how much Indian blood my grandmother had. My mother when she moved to North Carolina moved among the Indians. I have heard her speak of living out there where the Indians were. I am in North Carolina where she was married. The Indians she lived among were living in South Carolina. I never heard of her living amongst any Indians but the Cherokees and suppose she was living among the Cherokees in South Carolina. I have never before filed a claim for Cherokee money or land. I never heard of any opportunity to file before this time. The first time I had my attention called to it was about 25 or 30 years ago when James Taylor and Mrs. Lockwood came to me about it / All I did was to give her my name and the names of my children. I always heard that I had Cherokee blood but that was the first time I knew it would draw anything. After that time I let the matter drop until I filed this application.

Mary Jane Warlick, being first duly sworn, deposes and says:

I am about 40 years of age. I live in Cherokee county, N.C. I have filed a claim. I know James L. McDonald and Thomas D. McDonald. I never heard until this matter came up that they were Indians. Did you or not write a letter to the Special Commissioner saying they were not Indians? I did. Because they were never recognized by the band or called Indians. I know those around this community who were recognized as Cherokee Indians but never heard until of late that these parties were cherokees. I know nothing of their family history.

Annie Whitener, after being first duly sworn, deposes and says:

I am 77 years of age; live in Cherokee County; was born in Lincoln County, N.C. I first knew Annie Blythe on Valley River in this county. I was here the summer before the Indians left. I saw Annie Blythe before the Indians left. ~~I do not~~ She was at the Welch's. They said at that time she was mixed with the Indians and she looked like she might have been. I saw her several times ~~xix~~ and once at church. I heard her talk with my mother but I never talked with her myself. I do not believe I saw her after the Indians moved away, but I saw her the fall before they moved away. She died up there on the river. I heard that she died after the Indians left but I cannot say how long it was. I do not know where Annie Blythe came from and I do not know who her parents were. I think they said at that time that she ~~was~~ had Cherokee Indian blood. I only know about this what I heard them talking about when I was a little child but she certainly had the appearance of having some Indian blood. I was staying up on Valley River near a place ~~that~~ is now known as Andrews. I heard her say when she was asked where she was going that I am going up to Morris's among my Indian kin. The Welch's were up there. I think Mrs. Welch was her daughter.

James Lovin onald, afte being first duly sworn, deposes and says:

I am a l irent in my own right; 87 years of age Aug. 11, 1 . I cl im my Indian blood through my mother, a daughter of Annie Blythe. I have lived in this locality 7 years. Was born and raised in Macon County, three miles of Franklin. My father was Angus McDonald and Sallie Blythe was my mother. My mother was said to be 15 at the date of her marriage and her first child was born when she was 16 years of age and that was in 1816. I know my grandmother, Nancy Blythe. I knew her in ~~Swain~~ Macon County. They moved from South Carolina to Macon County. I mean my grandfather, Johnathan, and Nancy Blythe, my grandmother. They moved after my mother was born. My mother was born in South Carolina and married there. My grandmother looked to be about 55 or 60 years of age when I knew her. I never heard how old she was. Her oldest child was named Sasa and she married a man named Samuel DeArmand. There were two sisters and one brother older than my mother. I cannot say what year Nancy Blythe was born. I thi k she was born at a place called Old Choy Fields, S.C. I do not know near what town or in what county this was. A man named Isaac Shupe was said to be the father of Nancy Blythe and an Indi n woman by the name of Barnes was said to be her mother. Shupe was said to be a white man. My information is that the Barnes woman was born in South Carolina, about the Old Choy Fields. I think They were li ing with some Indians in South Carolina but do not know what Indians they were. Nancy Blythe had si girls and two boys. She had no sisters that I know of. To the best of my recollection she died in 1840 or 1841. It is reported that Nancy Blythe's mother lived among the Cherokees in South Carolina. I cannot say who informed me of this fact. Thomas onald just told me. He is my brother's s n. I do not how he knows more about it than I do. I have heard Grannie talk about living among the Cherokees in South Carolina. I think she died in 184 . She di not die in 1854. The witness he states this is a mistaken. I was about years of age when she died. She died on Valley iver. In 1875 she was living with Johnathon Blythe, her husband. No one else was living in the house with them. at that time as far as I recollect. At that time all her children were married or had left. She had no grandchildren living in the house with her. According to my judgment she was not 97 years of age when she died. I do not know whether Elizabeth Harden was mistaken when she said she was 97 years of age or not. I never heard of Nancy Blythe, my grandmother, drawing any money as an Indian. I ~~never~~ have heard of my grandmother being enrolled as an Indian. I heard this six or eight years ago. I never heard her say she was enrolled as an Indian. I have heard her say that her mother was an Indian. I will not state that I heard her say what tribe of Indians she belonged to. The first I heard if her being enrolled was six or eight or perhaps ten years ago. Jim Taylor told me then. He was acting for Polly Lockwood. My mother was known as Sallie onald in 1875. At that time she was livin about six or seven miles from here. The Cherokee Indians are living all around here at that time. In 1875 she was older than 5. She must have been

Applications of James Lewis McDonald and others claiming through Annie or Nancy Blythe, wife of Johnathan Blythe.

There are a great many applicants who base their claim solely upon the Indian blood derived from one Annie or Nancy Blythe, and these claims are given color by the fact that there is a Nancy Blythe on page 28 of the Eastern Cherokee census roll of 1835. On this roll Nancy Blythe appears as residing on Shooting Creek, North Carolina, and one minor child, female, over 16 years of age, is enrolled with her.

These claims are given further color by the fact that James Blythe and Betsey Welch, two of the children of Nancy Blythe, were enrolled with the Eastern Cherokees in 1851.

The facts as set forth in the various applications and as developed by the testimony (soe Miscellaneous Testimony, pages 1633 to 1644) are inconsistent with the idea that Nancy Blythe, wife of Johnathan Blythe, was the Nancy Blythe whose name appears on the Eastern Cherokee roll of 1835.

The Testimony of James Lewis McDonald (Misc. Testimony pages 1639-1640), who is 87 years of age and a grandson of Nancy Blythe, shows conclusively that Nancy Blythe must have been an old woman in 1835. He says;

"In 1835 she was living with Johnathan Blythe, her husband No one else was living in the house with them at that time as far as I recollect. At that time all her children were married or had left. She had no grandchildren living in the house with her. ---------I never heard of Nancy Blythe, my grandmother, drawing any money as an Indian. I never heard her say she was enrolled as an Indian. I have heard her say that her mother was an Indian. I will not state that I heard her say what tribe of Indians she belonged to. The first I heard of her being enrolled was 6 or 8 or 10 years ago. Jim Taylor told me then. He was acting for Belva Lockwood. ---------- In 1835 it was well known where my mother lived. She was well known in this county at that time. I never heard of her getting any money as an Indian. The reason my mother was not enrolled in 1835 was because they held their heads up and were sort of biggish and did not have sense enough. I can give no reason why my mother's brothers and sisters were not enrolled (in 1835). My mother's brothers and sisters were all of age at that time and living in this locality. In 1851 I was living on Hanging Dog. I do not remember anything about a payment in 1851. Did

hear that the Cherokees were drawing some money then. I did not apply because I did not have sense enough. We have always had the privileges of white people but recognized as having Indian blood. I do not claim Indian blood through any source other than Annie Blythe."

It appearw that Nancy Blythe had seven adult children living in 1835, and no minor children. None of her children was enrolled in 1835. The testimony fails to disclose just where this Nancy Blythe was living in 1835, although it very clearly establishes the fact that she and several of her children were born in South Carolina, and Edmond A. Dewese (Misc. Testimony, page 1633, a white man 87 years old, testifying on behalf of the claimants, states that he first knew Annie Bluthe in Macon county, North Carolina, in 1836 or 1837, and that she was living somewhere near Franklin, on the Tennessee river.

Other witnesses testified that she was living in 1835 and 1836 in Macon or Jackson counties, but it does not appear anywhere that this Nancy Blythe ever lived at Shooting Creek, at which point the Nancy Blythe enrolled in 1835 was living.

The testimony further discloses the fact that James Blythe and Betsey Welch, the two children of Nancy Blythe who were enrolled in 1852, had married Eastern Cherokee Indians prior to the Treaty of 1835.

Joseph G. Hester, Special Agent, who made a roll of Eastern Cherokees in 1884, enrolled this James Blythe as No.1177, and under the names of ancestors on previous rolls writes,--"white", and under Remarks adds,-"White on Mullay Roll--adopted before the Treaty."

Agent Hester also enrolled Betsey or Elizabeth Welch as No.1421. Likewise inserting in a colum of names of ancestors on previous rolls,--"White", and adding under Remarks,-"Married to a Cherokee before Treaty."

These circumstances would seem to be conclusive and the testimony of Martha Ann Meroney (Misc. Testimony, page 1641), 73 years of age, an intelligent and apparently thoroughly honest wit-

ness, seems to completely destroy all claims on behalf of these applicants. She testifies that she is the grand daughter of this Nancy Blythe in question, she being a daughter of Elizabeth or Betsey Welch above referred to. She testifies,

"I know James L. McDonald. His mother was Sallie Blythe, who married a McDonald. I never talked with Sallie McDonald about her having Indian blood and never heard of it until this affair came up. I knew her intimately. She was my mother's sister. Annie Blythe was my grandmother. I have heard my mother and some of the citizens say Annie Blythe was Annie Barnes. She was born in England I have heard my mother say. She came to South Carolina with her father and mother and Annie Barnes married Nohnathan Blythe in South Carolina and then moved to North Carolina, about Jackson county or up that way. I never heard how old Nancy Blythe was at the time of her death. I have heard my mother say that she did not have any Indian in her. ----------. I knew James Blythe and Betsey Welch. Betsey Welch was my mother. She married a man that was called a Cherokee Indian. She married John Welch before the emigration. ---------- James Blythe married Sallie Downing, a full blood Cherokee Indian. The marriage took place ptior to 1835."

This testimony fully accounts for the fact that none of the children of this Nancy Blythe were enrolled with the Eastern Cherokees in 1835, and for the further fact that none of her children or grandchildren, except James Blythe and Betsey Welch, were enrolled in 1851.

The testimony is conclusive that Nancy Blythe, the ancestor of these claimants, was a white woman and as they make no claim through any other source their applications must all be rejected.

At the personal request of Mrs. Belva A. Lockwood, attorney for most of these claimants, John K. Sutherland, a white man 71 years of age was examined. (See Testimony, page 1635). He testifies as follows:

"I was born in Spartansburg, S. C., and lived there until 1859, and then moved to Madison county, North Carolina. I know James L. McDonald, and I have known him since coming to this county. I did not know him or any of his family prior to that time. All I know about Annie or Nancy Blythe's Indian blood is what I heard my mother tell a neighborwoman one day. My mother's name was Martha Sutherland. My mother said that when she was first married there came to their home near Greenville, S. C., a very fine looking Cherokee Indian--the finest she had ever seen--and they had a lady there by the name of Annie Barnes, who was a quadroon or

half blood Cherokee Indian, and the prettiest woman she ever saw. That big Indian fell in love with Annie Blythe and there was a man there by the name of Johnathan Blythe who was a little man but a swift runner, and this Annie Blythe was an interpreter. The Chief of the Indians was a man by the name of Oo-sta-alle, and Annie Barnes acted as his interpreter, and he adopted Annie Barnes. A big Indian wanted to marry Annie Barnes, as did Johnathan Blythe, and the Indian wanted to fight for her but the Chief said it would not be fair, but that if he could outrun Johnathan Blythe he could have her,---and they had a race and Johnathan beat and so married Annie Barnes. This happened after my mother was married. My mother died in 1880 and she was then about 80 years of age. My mother said that this Chief Oo-sta-alle, was a Cherokee Indian. My mother said that the Indians left Greenville after Annie Barnes' marriage and moved to Toxoway and then to the little Tennessee river."

This pretty little romance is, of course, not testimony but if it is true it is perfectly evident that the Annie Barnes who was there married to Johnathan Blythe could not have been the ancestor of these claimants, as their ancestor was certainly a grandmother at the time of the alleged contest for the hand of the said Annie Barnes.

Questions to be asked Blythe witnesses.

1. Please state your name, age, and present address.

2. How long have you lived in this locality?

3. State all you know of the history of Annie Blythe.

   a. When was she born?
   b. Who were her parents?
   c. Where did they live?
   d. To what tribe did they belong?
   e. Who did she marry?
   f. Did she have any children?
   g. If so, how many? Give their names and ages.
   h. When did Nancy Blythe die?

4. With whom was Nancy Blythe living in 1835?

5. a Was this Nancy Blythe on the roll of 1835?
   b. With whom was she probably enrolled?

6. Why are none of Nancy Blythe's children on the roll of 1835?

7. Tell anything you know of the history of any of the seven children of Annie Blythe.

8. How did it happen that James Blythe and Betsy Welch were enrolled in 1851 and none of the others were?

9. Why were Sallie McDonald, Oma Parker, Stacy DeArmond, Rebecca Walls, and Mary Ann Hampton not enrolled in 1851?

10. Were these children of Annie Blythe white people?

11. Has witness applied to participate in this fund?

12. If so, through which of Annie Blythe's children do you claim?

13. Do you claim through any other source?

14. When was Betsy Welch married?

15. When was James Blythe married?

16. State the dates of the deaths of Annie Blythe's seven children.

17. What relation was Goliath Blythe to you?

18. Was Isaac Shoop a white man?

19. Was Nancy Shoop a white woman?

20. When did Isaac and Nannie Shoop die? And where did they reside in 1835, if living at that time?

21. Elizabeth Harden's application has already been taken to the field, and is with the Cherokee County,North Carolina, cases. In a communication, she states that her grandmother's grandmother was Annie Blythe, who died in 1834, at the age of 97 years, and that two of her children are on the roll of 1835, their names being James Blythe and Elizabeth Welch. It is now desirable that the testimony of Elizabeth Harden be taken with the view to determine what grounds she has for the statement that Annie Blythe died in 1834, as well as the other statements above mentioned.
It will be seen that, if Annie Blythe died in 1834, she cannot be the Nancy Blythe whom is on the roll of 1835 and through whom these numerous applicants are claiming.

Mary Jane Warlick, whose application number is 5482, in a communication to this office states, among other things, that many whites and negroes without Cherokee blood are filing claims; that, among these, are the descendants of Annie Blythe, composed of Doughertys, McDonalds, and others; that these parties have no claim to Cherokee blood; also Isaac McClellan and Dovie Hudson, negroes by blood, as well as Joseph Gibson, who is of mixed blood, or indefinite nationality. Mary J. Warlick lives at Murphy, N. C., and the communication from her above referred to was a letter dated May 19, 1907.

Mary Ann Meroney made affidavit before U. S. Indian Inspector Frank C. Churchill at Murphy, N. C., on December 13, 1907, and, in that affidavit, she stated, among other things, that "it was never claimed by any member of my family that Annie Barnes was an Indian, so far as I know". She further stated in the same affidavit that Jonathan Blythe and Annie Blythe were both white. The testimony of this woman should be taken to find out on what she bases these statements, especially with regard to the white people; -

or, rather, with regard to the statement that ~~him~~ Jonathan and Annie Barnes were white.

The following named and numbered claimants, who will make good witnesses in the Blythe case, have been notified to appear before J. E. Tyler at Murphy, N. C., on July 15, 1908;

No. 222 James L. McDonald;
1518 Sophia E. Witt;

The applications of Mary Jane Worlick and Martha Ann Meroney are not sent to the field, as no testimony is desired in their individual cases, but is merely desired as to what they know about the Blythe case.

BRIEF HISTORY OF BLYTHE FAMILY.

This family seems to have lived chiefly in N. C. and in Ga. The first information that is disclosed from the applications is that Isaac Shoop and his wife, Nancy Shoop, were the parents of Nancy Blythe. Nancy Blythe married Jonathan Blythe and to them were born seven children, whose names were;

1. James Blythe;
2. Sallie McDonald;
3. Betsy Welch;
4. Rebecca Walls;
5. Mary Ann Hampton;
6. Stacy DeArmond;
7. Oma Parker.

There is a Nancy Blythe whose name appears on the roll of 1835 but there is considerable doubt whether this is the Nancy Blythe who forms the basis of these cases. This Nancy Blythe, as is shown by the original roll, was enrolled in 1835 with one minor child, which fact is extremely significant as some of the evidence tends to show that Nancy Blythe was a very old woman in 1835 and it would ~~be in~~ seem to be impossible for her to have had any minor children living in 1835.

There are no applicants claiming through James Blythe, the son of Nancy Blythe, so far as I am now able to determine.

There are a great number of applicants who claim through Sallie McDonald, a daughter of Nancy Blythe; these applicants have been subdivided into groups according as they claim through the sons and daughters of Sallie McDonald. The first of these groups begins with App. No. 222, James Lewis McDonald, who is the son of Sallie McDonald, who is the daughter of Nancy Blythe. James Lewis McDon-

ald is the only living son of Sallie McDonad, is 87 years old, and resides at Murphy, N. C. The name of Benjamin Posey, of Murphy, N. C., appears on the application of James Lewis McDonald as his attorney.

James Blythe and Betsy Welch, the aunt and uncle of James Lewis McDonald, are both on the roll of 1851. They probably got on that roll by being adopted whites. There are no applicants claiming directly thrugh Betsy Welch, the daughter of Annie Blythe. There are comparitively few applicants claiming through Rebecca Wall, who was another daughter of Annie Blythe and who married Wm. Wall. There is quite a large group claiming through Mary Ann Hampton, a daughter of Nancy Blythe. There are no applicants claiming through Stacy DeArmond. The largest group claim through Oma Parker, another daughter of Nancy Blythe.

Mrs. Belva A. Lockwood, who is the attorney for a large number of these claimants who base their right to participate on Annie Blythe, especially requests that the testimony of the three following witnesses, each of whom is very old, be taken in this case:

1. James Lewis McDonald; Murphy, N. C.; age, 87;
2. John H. Southerland; 77 years old; White.
3. Catharine McDonald, nee Panther, age 85, Ogreeta, N.C.

This brief summary indicates the character of testimony that is desired in this case.

noah Six, being first duly sworn thru his interpreter Tom Cook, deposes and says:-

I am 44 years of age: My fathers name was Ah-lie-dew-e or Runabout. My fathers father was Coo-dah-le or Six. My fathers mother was Ta-ke. I have seen my fathers father and know that his name was Coo-dah-le or Six. John Duncan gave me a paper with the reference to the Emigrant Roll of my father and his parents. I told him who their names were and he looked them up for me. (See Tol. 806) I was told by John Duncan that it would be necessary to have the names properly given or that I would have trouble in fixing up my claim. I was told that oh was employed by the Department to give these names. He told me that he was from Washington and I never knew any better. I made up application in South west City, Mo. Charles Dunlap made the application out for me. I made my mark when I made out my application and Charles Dunlap put the Seal on. Sam Six is my brother. He only had one child: He left one child. Its name is Steve or Oolahkaste. The mother of this child is also dead. Jeff McGee was the Guardian of Steve. He is now dead. Steve is now about 12 years old. John Six is my own child and he is about 15 years old. I do not know who has the present care and custody of Steve. He is now in school near Afton, Okla. I did not make a claim for John myself: At first it was thought that the minors would not get anything and afterwards when it found that they would, John had one fixed up for himself. Jeff McGee lived over near Afton or Fairland, Okla. Sally Proctor, #16441 is no relation to me. I was enrolled by the Dawes Commission. I do not know my number.

Withdraw Sally and Jimmy Proctor.
See if Steve Six has filed application.

Subscribed and sworn to before me this 14th day of March, 1910, at Southwest City, Mo.

Assistant to the Secretary Commissioner of the Court of Claims.

App. No. 224-- Enoch Six.

It appears from this application and from numerous others, purporting to be executed before J. J. Crawford, Notary Public at South West City, Missouri, that the application was made out by C. M. Dunlap, witnessed by him, the Notary's name written by him, and one of the attesting witnesses' names written by him. It also appears from the face of this application that the party making it out had full access to one of the rolls of 1851, as it specifically stated that the names of the grandfather and grandmother and the father of claimant will be found as Group 806 of the Delaware District, and the spelling of these unusual Indian names is identical with the spelling found on the roll with the exception that the name of the grandfather, which on the rolls appears as"Soo-dah-le or Six" is given in the application as "Soo-dah-le-oo Six".

The claimant should be notified to appear and examined carefully as to the names of his father and mother and grandparents and should be asked what information he gave in the filling up of this application.

The Notary, J. J. Crawford, should be examined as to whether he executed this paper.

C. M. Dunlap and Mollie Dunlap should also be examined as to what part they took in the matter.

Also in this case Katie Snell and C. E. Currey should be examined as to what they know about this application.

In connection with this case, the application of Sallie Proctor, of Zena, Oklahoma, No. 16441, should be examined. Her application appears also to have been made out before Crawford as Notary but to have been written by Dunlap. She gives her father's name as Sodol-le-hi or Sixkiller, which is strikingly like Soo-dah-le or Six. Examination to be made as to claim of Sallie Proctor, therefore, in connection with the claim of Enoch Six and see whether they are in fact related.

GM/WEA

Wm. H. Martin, Application #26697 - #51, makes a claim for his step-son, John W. Six, 18 years of age, claiming that John is the son of Enoch Six, application #224. Examine Enoch Six as to this boy and ascertain who has the care and custody at present.
